2026 Uniform Policy

Farnborough State School has a Uniform Policy, which has been endorsed by our P&C Association. The Farnborough State School community believes that there are benefits to student dress following an agreed code.

These benefits include:

- **Appropriateness** - to ensure that all students are dressed appropriately for all school activities
- **Safety** - to make student identification easier in the school grounds, while travelling to and from school and on excursions
- **Equity** - discourage fashion competition e.g. wearing of brand names
- **Expense** - to minimise the cost to families
- **Identity** - to develop in students a sense of belonging and pride in their school.

Uniforms are available from the School Uniform Shop, which is open Wednesday and Friday from 8.15am to 9am. For uniforms outside of this time, please contact the school office or go to QKR for online orders.

Our school uniform consists of:
